Chelsea West Photography

West Texas Senior Photographer

Hi! Welcome! My name is Chelsea West and welcome to Chelsea West Photography. You have so many choices for your photographer and I can't thank you enough for considering me! I know how hard it is to make this step in scheduling your senior session and want to make it as easy as possible for you!

This guide is here as a resource to help prepare you for your session. If there are any other questions that you have, please do not hesitate to ask. I look forward to this experience with you!

About Me

Hey ya'll! I am Chelsea! I have lived in Midland for the majority of my life! I have gone to school here (Go Dawgs), I was married here, my family is here. Everything I know and love is here in Midland! I married my sweet husband in 2017 and we have two adorable dogs. Fen, is a German Shepard that loves to go on long walks and Jenny is a pound pup that I have had since college and I'm sure will outlive us all! When I'm not at a session with you, I love to read, go on walks, and spend time with my family!

A week before your actual shoot, I will touch base to answer any last minute questions you may have.

What to Expect

Senior Session Expectations

Prior to you booking your session, we will have a consultation to discuss what your vision is and if I am the right person to create that vision. This consultation can be in person, via phone or through Zoom.

Once we have chatted, we will discuss the best date for your session. After a date has been selected, I will then email your contract with the details of your session and your invoice at that time.

On the day of your shoot, we will meet at the designated location. Please be prompt. As a natural light photographer, I am reliant on the sun to provide you with beautiful photographs.

During our shoot, we will be taking a variety of photos. These will include different poses and locations if that is what we discussed.

After our shoot, I will begin the culling and editing process to ensure that I deliver the best photos possible. You will receive an email within two weeks of your shoot date with a link to your gallery and a survey. Once you've accessed your gallery, you can download your photos and purchase prints! If you have any concerns, during any of this, please let me know!
